2027 PLANNERS

All You Need to Plan for the Year Ahead

Every year we offer a variety of annual and academic planners. With a range of interior planning styles and size formats in our newest and bestselling cover designs, Paperblanks planners are great tools to help your customers get organized and stay on track.

For 2027 we have an exciting new change to our daily planner interiors. The address book inserts (or section, in the softcovers) have been removed and replaced with new, more contemporary supplementary content. These pages include goal setting, habit tracking, motivational quotes, and more space for notes.

We've also slightly increased the line spacing on the planning pages and removed the hour markers from the vertical and daily interiors, to allow more flexibility in lifestyle and planning types.

Wishing You a Positive and Productive New Year!
