What's New from Paperblanks

Our Paperblanks Fall 2026 season blends innovation with artistry, and we are so excited to finally share it with you.

Continuing our partnership with Warner Bros. Discovery Global Consumer Products, we are delighted to transport customers to the mythical land of Westeros with our Game of Thrones Collection. Featuring iconic themes and visuals from the multi-award-winning HBO television series, this collection is a must-have for fans of the show.

Alongside this launch, we are expanding several of our beloved collaborative collections. A new design joins our The Lord of the Rings Collection, with A Perilous Journey bringing together the epic trilogy in one design, available as a canvas bag, pencil, and washi tape.

Our Harry Potter Collection and Fourth Wing series are also growing, with popular designs being introduced in new product formats. This season promises to spark creativity in every fantasy lover.

Beginning with Fall 2026, we are delighted to share that the interior zipper pockets of our canvas bags have increased in size. This update allows modern, larger phones to fit comfortably and hassle-free into our Paperblanks canvas bags.

Additionally, our Harry Potter Collection black tote bags will be made using material created from 100% recycled bottles as part of our new Clean Oceans initiative. This circular approach to product development supports our ongoing commitment to sustainability at the core of our offerings, and we are delighted to introduce it as part of the Fall 2026 collection.

We are also pleased to reintroduce our pen loops with a new and improved look. This refreshed category combines bestselling designs in a new material. Our pen loops are easy to remove and reposition, and they also double as a stylish page marker.

A familiar favourite returns with our Generatio design. Originally released as a handstitched hardcover journal in 1998, this cover has been thoughtfully reimaged to give it new life while remaining rooted in the original folio artwork from the Book of Kells.

We hope you enjoy our latest products!

FOURTH WING · REBECCA YARROS' EMPYREAN COLLECTION

FOURTH WING

Rebecca Yarros reignited the romantasy genre with the release of *Fourth Wing* (2023), the first book in her *Empyrean* series. Centered around 20-year-old dragon-rider recruit Violet Sorrengail, the series defies traditional fantasy tropes by offering readers a female hero who is both formidable and deeply human.

THE BOOK OF KELLS

The Book of Kells is one of the artefacts most widely associated with Irish national identity and culture since its creation in the 9th century. Our design reproduces the famous Chi Rho page of the manuscript, with its hidden symbols and embellishments that exemplify the beauty of the Insular art style.

Golden Fritillaria

GOLDEN FRITILLARIA · NEW YORK BOTANICAL GARDEN

Rooted in the cultural fabric of the city, The New York Botanical Garden has been a connective hub among people, plants, and the planet since 1891. Our Golden Fritillaria design captures this spirit by spotlighting the decorative *Fritillaria imperialis* flower, alongside an iconic glass conservatory sketch by Lord & Burnham.

The Colourful Portrait

VIVA FRIDA

Frida Kahlo (1907–1954) was an iconic cultural figure who left a lasting mark on the art world through her self-portraits. She has inspired generations, not only artists and art lovers, but anyone who has suffered through tragedy. She is a powerful symbol of resilience, creative defiance, and emotional honesty.

COUNTERTOP DISPLAY

APPROXIMATELY 335 × 800 × 335 MM (W × H × D)

The Countertop Display can be built by selecting a turntable base and your preferred tiers (see facing page), allowing for viewing from any angle. It can be stacked with any combination of 2 to 4 tiers, including our Accessory Tier (as shown). This display can be built up to a Floor Display by simply changing the base and adding more tiers.

The Accessory Tier comes with customizable metal hooks that can be adapted to different packaging sizes and holds up to 75 bookmarks, 60 pen loops, and 36 washi tape packages within each section of the tier. With 4 sections to fill within the tier, you can customize each section based on your product preferences. The accessory tier can also fit the corrugated Accessory Display which holds 9 pencil cases or 15 playing card decks.
